1 in this case, and each has approved or disapproved the order, or failed to respond, as  
2 indicated below:

3 **Debtors:** Asked that the proposed order be amended to state that USACM has to file a  
4 motion relating to the payoff of the loans (or file a notice of default by February 27) and  
not specify what kind of motion.

5 **Office of the U.S. Trustee:** Agreed with the DTDF's response, to submit a competing  
6 form of the order with DTDF's proposed language should the parties not reach an  
agreement to resolve the Colt Gateway loan.

7 **Official Committee of Equity Security Holders of USA Capital Diversified Trust**  
8 **Deed Fund, LLC:** In response to the first version of the proposed order served on all  
9 parties on February 16, 2007, this Committee proposed that the second term of the order  
read:

10 **IT IS FURTHER ORDERED** that on or before February 27, 2007,  
11 USACM shall file a motion seeking authority from the Bankruptcy Court in  
12 connection with a payoff proposal from the borrower on the Colt Gateway  
loan, or commence foreclosure proceedings with respect to such loan  
(collectively, the "Conditions");

13 In response to this proposed order served upon it via email on February 20, 2007, and in  
14 light of ongoing negotiations on the Colt Gateway loan, proposed to submit a competing  
15 form of the order with its proposed language should the parties not reach an agreement to  
16 resolve the Colt Gateway loan. This proposed order incorporates all other changes  
17 requested by this Committee in response to the first version of the proposed order served  
18 on all parties on February 16, 2007.

19 **Official Committee of Unsecured Creditors for USA Commercial Mortgage**  
20 **Company:** Failed to respond to the proposed order served upon it via email on February  
21 20, 2007. In response to the first version of the proposed order served on all parties on  
22 February 16, 2007, this Committee stated that it did not believe the court required a  
settlement by February 27, 2007, but required a motion "with respect to the payoff to get  
this dispute before the court and the money coming in." This Committee responded that  
the other changes proposed by the DTDF Committee to the first version of the proposed  
order are "fine."

23 **Official Committee of Equity Security Holders of USA Capital First Trust Deed**  
24 **Fund, LLC:** Responded that it did not recall the court's oral order used the term  
25 "settlement" to describe the type of motion it instructed USACM to file.

26 **Official Committee of Executory Contract Holders of USA Commercial Mortgage**  
27 **Company:** Failed to respond to the proposed order served upon it via email on February  
28 20, 2007, or to a first version of the proposed order served via email on February 16, 2007.
